

The background of the image shows several Popdots, which are round, chocolate-covered treats. Some are coated in white chocolate with nut toppings, while others are dark chocolate with nut toppings. They are arranged on a light-colored surface, with some in the foreground in sharp focus and others in the background blurred.

DOTS®

LITTLE BIG POP DOTS®

**WHO WOULD HAVE THOUGHT THAT THESE DELICIOUS MORSELS
WOULD END UP AS A TRENDING PRODUCT THANKS TO THE DIVERSITY,
AND THE FILLINGS THAT WE HAVE MANAGED TO LAUNCH ON THE MARKET.
ORIGINAL, FUN, AND AWFULLY IRRESISTIBLE ...**

TREND

Riding the crest of the wave
as an innovative product,
fun, highly-desired,
and the perfect size.

VARIETY

The PopDots family is growing
all the time, thanks to the creation of new
products with special coatings, original
toppings, and the best-quality fillings.

PRACTICALITY

It couldn't be easier.
Defrost and ready to eat.
No waste. Defrost on demand.
Guaranteed 4-day shelf life.
Easier would be impossible.
