Frozen Par-Baked

Cuban Sliced Sandwich Rolls 3x6

70 pcs. / 4 oz * 17.50 lbs. Net Wt

1. Allow fully baked product to thaw completely, to room temperature, before packaging or serving. For best results, set up on pans and thaw on covered racks. (do not refrigerate as this will dry out product)
2. **Optional** – Sandwich bread may be toasted if desired. For a darker, crisp crust, place in oven at 425 degrees F and bake for 3- 5 minutes.
