**Frozen Unbaked
Onion Rolls**

240 pcs. / 2.25 oz * 33.75 lbs. Net Wt

1. Pan as illustrated and place on covered rack in cooler overnight (not to exceed 12 hours).
2. From cooler, place in proof box at 110 degrees F and 90% humidity. Proof to 2 ½ times their frozen size.
3. Place in oven at 350 degrees F. Bake for approximately 15-18 minutes , until golden brown.
4. Remove from oven. Cool completely before packaging.
