## Pioneers in true French-style Brioche

Our delicious Thaw and Sell Brioche category offers a traditional French recipe. It is a flavorful and tender artisan good that belongs to the category of bakery products.

It's the meeting point between pastry and bread. Rich and sweet, generally made with eggs and butter, has a very soft texture and a beautiful and appealing golden look.

### A Clean Label Formula

Real butter · Cage free eggs · Flours  
Whole Grains · Made with sugarcane

### Grow and Grow

Brioche has been one of the fastest growing sandwichcarriers over the past 4 years, up by 97%.

### Made with Levian

Mixture of water and flour that captures wild yeast and beneficial lactic acid bacteria.

### Retail Ready

Fully baked product. Largest assortment in the market with packaging Ready to sell.

### Regeneration

Toasting adds flavor, crunch, and helps the buns absorb moisture from the toppings without getting soggy.

### Especial for Retail and Grocery

This retail-ready product is ideal for supermarkets, delis, and convenience stores.

## Sliders Brioche

Simply delicious

### Two bites... and ready!

That's how easy this ideal snack for any time of the day is. Delicious for breakfast, complete for brunch, and light for dinner. It all depends on the fillings.

The buns come pre-cut and joined in 8-unit sheets and are made with butter and eggs. Their texture is tender; their crust, shiny. An unbeatable presentation.

### Fun Foodservice Experience

Open the breads without separating, fill them with high-quality, original ingredients, to make fun, colorful recipes. Serve on a platter with a garnish, and let your clients tear off their own portions.
