Cristal
100% NATURAL
*Bread from Barcelona,
that sounds good*

A new bread that aims for a new style to your recipes. The Cristal Bread recipe is here to defy the rules of bread as we know it. Its almost non-existent crumb is open, with large air pockets; its crust is very thin yet extremely crispy.

Cristal 100 % Natural

So much to discover!

Cristal is a varied, premium assortment of breads with a soft texture, intense aroma and all the natural flavor of fresh bread, for endless possibilities. Fresh, light, crunchy and mediterranean.

No additives

100% Natural Ingredients

Made with Flour, Water,
Lactic Sourdough and Olive oil

Always fresh from the oven

Serving your bread just right is the key to success. This fully baked bread is perfect when toasted, giving it a light texture and a crunchy crust.

Next-Generation Sourdough

We have worked on developing our Cristal Bread with a formula that includes more lactic than acetic acid sourdough starter, a smoother, and creamier yeast that will change the rules of naturally leavened bread.

Every bite sounds perfect

A wide assortment of breads to satisfy all tastes. Fast and efficient: just thaw and it's ready to eat.

BRIOCHE

Pioneers in true French-style Brioche

Our delicious Thaw and Sell Brioche category offers a traditional French recipe. It is a flavorful and tender artisan good that belongs to the category of bakery products - the meeting point of pastry and bread. Rich and sweet, generally made with eggs and butter, has a very soft texture and a beautiful and appealing golden look.

EuroClassic

We are the trailblazers for Brioche in the US.

The Brioche range is inspired the classic Vendee region recipe. It's a French recipe made with a longer fermentation process.

A Clean Label Formula

Real butter
Cage free eggs
Flours
Whole Grains
Made with sugarcane

Grow and Grow

Brioche has been one of the fastest growing sandwichcarriers over the past 4 years, up by 97%.

Made with Levian - mixture of water and flour that captures wild yeast and beneficial lactic acid bacteria.

Retail Ready

Fully baked product.
Largest assortment in the market with packaging Ready to sell.

Regeneration

- Toasting adds flavor, crunch, and helps the buns absorb moisture from the toppings without getting soggy.
- ON THE CAST IRON:
Spread the burger buns with a little butter and then place them - cut side down Until golden brown, about 1 minute.
- IN THE OVEN:
You can toast the buns in the oven or toaster oven, at 350 degrees F, for 5 minutes or until slightly crispy.
