

A top-down photograph of a light-colored, textured surface, possibly a marble countertop. In the upper left, a small, shallow, light-colored bowl is filled with white flour. To its right, a small white bowl contains a pool of bright yellow liquid, likely olive oil. Scattered around these are several pieces of bread. Three whole, rectangular loaves of bread with a golden-brown, slightly crusty exterior are arranged in the center and left. To the right, two slices of bread are shown, revealing a soft, porous interior. One slice is topped with a drizzle of yellow oil. In the bottom center, a small, dark-colored bowl is filled with white salt. The overall composition is clean and minimalist, focusing on the textures and colors of the baking ingredients and the finished bread.

Best sandwich

Ingredients?

Your personal ones, and you'll always win

You can create a full, healthy meal by putting together the sub with your choice of veggies and meat topped with cheese or avocado.

Bagels

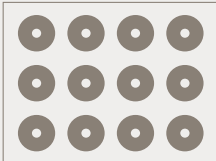

Our authentic New York Bagels with a soft and chewy inside and different flavors to offer a full variety in your store.

Frozen unbaked to table

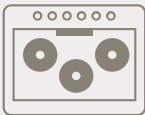

1.

Remove from freezer. Place bagels (12) on a pan as illustrated and thaw to room temperature. (Do not thaw in cooler as refrigeration will dry out product).

2.

Place in oven at 425°. Bake for approximately 5-8 minutes to desired color.

Tips and Tricks

You like bread and you would like it to always be freshly baked. If you don't have time to bake every day, frozen bread dough is your best option. Right from the freezer, frozen bread dough lets you have warm, perfect loaves ready when needed.

It's great to use for casseroles, braided bread, breakfast sandwiches, bread bowls, cinnamon rolls, pizza dough, and rolls.

Can I thaw frozen bread dough in the oven?

Select a bowl/baking pan that can accommodate the dough's risen size, and coat it with your preferred ingredient so it doesn't stick. Cover the dough in heat-safe plastic wrap. Place the dough in the oven at a temperature of 100°F so it thaws but doesn't kill the yeast.

How do you speed up frozen dough?

With boiling water: Place a glass baking dish on the bottom rack of the oven and fill it with boiling water. Put your dough in a covered glass bowl on the middle or top rack and shut the door.

Can you freeze bread dough after the second rise?

Yes, it is possible to freeze pizza/bread dough that has already risen once. Yeast remains relatively unaffected if frozen (you can also freeze blocks of fresh yeast to use at a later date). The texture of the bread will also be unaffected.

Bread dough can last in the freezer for up to 1 year.

In order to keep that freshly baked taste, the frozen bread should be consumed within 4 weeks.

Loaves

An ample selection of loaves with a variety of flavors to call attention to your shelves. Pumpernickel, Rye, Multigrain; Let's try them!

Ancient Grains

Ancients grains such as oats, amaranth, and buckwheat, provide a variety of health benefits greater than that of wheat. These range from being richer in protein, to being higher in vitamins, and nutrients such as iron and calcium.

Are ancient grains healthier than wheat?

As with vegetables and fruit, a variety of grains is better than whole wheat all the time. Oats and some other whole grains, such as barley, are higher in soluble fiber than wheat

Hot Dog & Hamburger Buns

Discover how your customers can take the BBQ experience to the next level; our extensive frozen dough hot dog and hamburger buns category will help them do just that.

How to...

defrost
and bake
perfectly

Place buns separately
on covered rack in
cooler overnight (not to
exceed 12 hours).

From cooler, place in
proof box at 110°F and
90% humidity.
Proof to 2 ½ times their
frozen size.

Remove from proof box, let stand
5 minutes, egg wash and seed if
desired. Place in oven at 35°F. Bake
for approximately 20-25 minutes,
until golden brown.

Remove from oven.
Cool completely before
packaging.

ENJOY!

Formats & Cuts

You can offer rectangular pizza, oval, calzone, and an array of mini pizzas. You can serve them on trays sliced in different ways.

The possibilities are endless!

4 simple steps:

1
Remove the dough and let it thaw for 8-12 hours.

2
Sprinkle with flour. Soften the dough by pressing it down firmly and kneading it for a few minutes.

3
Press out the dough with the tips of your fingers, stretching it to your chosen shape.

4
Top with fresh, high-quality ingredients. Bake.

European Style Bakery

We are pioneers in authentic french brioche: the heart and soul of our company. All of our recipes are inspired by age-old baking traditions. We carefully select the most authentic flavors of European-style baked goods. Our brioche range is extensive and adapted to the true American palate.

Buns and Rolls

Brioche is a traditional French recipe generally made with eggs and butter. Rich and sweet with a very soft texture and beautiful appealing golden colors.

Twist • Frozen Fully Baked

Made with cocoa to add decadence, and peppermint to cut into the richness with a minty, fresh flavor. Together they capture the nostalgia of Christmas morning and the sweet treats stuffed into stockings.

51629
Peppermint Brioche Twist Bread
12 u / 16.8 oz / 6x11 / 20-30' Thaw / 9.5 in.
French recipe / Butter / Made with eggs

Brioche Bread • Fully Baked

Made with cranberries and oranges, which lighten the dough and add freshness.

50197
Cranberry & Orange Brioche Bread
12 u / 15 oz / 6x11 / 20-30' Thaw / 9.5 in.
Clean Label / Butter / Made with eggs
