Crispy, Light and Thin

A new bread that aims for a unique style to your recipes. The Cristal Bread recipe is here to defy the rules of bread as we know it. Its almost non-existent crumb is open, with large air pockets; its crust is very thin yet extremely crispy.

Our Cristal 100% Natural range is inspired by those who devour life as they like it: spending time with friends, playing sports, going out or staying in, on the go or taking it slow, and sharing it all. Above all else, in the most natural way possible.
